DETAILED ACTION

Allowable Subject Matter

Claims 21-33 are allowed.

The following is an examiner's statement of reasons for allowance: there is no disclosure in the prior art of a housing including an opening with an open top; a first conductor portion that has a first conductor end terminating in a first electrode external to said housing and a second conductor end extending along said opening and having a first open area exposed along said closed bottom such that said first conductor portion is substantially surrounded by said housing but for said first electrode and said first open area; and a second conductor portion that has a third conductor end terminating in a second electrode external to said housing and a fourth conductor end extending along said opening and having a second open area exposed along said closed bottom such that said second conductor portion is substantially surrounded by said housing but for said second electrode and said second area.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Michelle Estrada whose telephone number is 571-272-1858. The examiner can normally be reached on Monday through Friday.
